EXAMPLES

1. Your hobby is climbing the mountains. You are fit, both physically and mentally. You have already climbed various mountains in India. Now your dream is to climb Mt Everest, world's highest mountain. You wish to join Himalayan Mountaineering Institute, Darjeeling to get proper training for it. Make a **Statement of Purpose** in about 100-150 words, which will help you to get admission in this Institute.

STATEMENT OF PURPOSE FOR ADMISSION IN HIMALAYAN MOUNTAINEERING ISNSTITUTE (HMI)

Albert Einstein once said "Look deep into nature and you will understand everything better." My father inspired me to find real beauty in nature. He was a mountaineer and I too want to follow him. My goal is to reach the top of the Mt. Everest. I belong to a remote village where I spent my childhood in the vicinity of hills and mountains.

I know that mountaineering is an art and science and not merely physical activity. It is one of the finest sports but to practice it without training and technique is deliberate suicide. Training promotes caution and clear thinking. So I want to acquire proper training from Himalayan Mountaineering Institute (HMI).

Mountaineering and paragliding are my favourite hobbies. I began mountain climbing when I was 10 and have followed it passionately ever since. I am fit enough, both physically and mentally. My regular practice of playing football and basketball made me rather muscular.

Every year I go to trek to *Kalsubai*, the highest mountain peak in Maharashtra. I have been participating in various winter and monsoon trekking camps. I enjoyed rafting and bungee jumping at various places in India.

I'm concluding my statement now with due respect. I humbly request you to check my profile for the suitability. I am quite confident that I am the proper person to get admission in HMI, with my past experience and acquired skills. I will look forward to your positive response.

The condition of roads in our city is really dangerous. Almost all roads are seriously damaged. This has led to many problems to citizens. Cars and two-wheelers break down very often, road mishaps are increasing tremendously. We face the problems of traffic jam and noise pollution here. Regarding this problem, I contacted to local authorities many times, but it was in vain. As a resident of this city, I request you to wake up the local authorities and force them to take serious action against this problem. Thanking you. Yours sincerely, S. Joseph
